Seventeen-year-old Hajime Nagumo, an avid otaku, is thrust into a fantastical realm when he's summoned along with his classmates. Initially hailed as heroes, they're tasked with saving humanity from extinction. However, while his peers are blessed with extraordinary abilities, Hajime's sole skill lies in being a Synergist - essentially a glorified blacksmith. As his classmates mock and belittle him for being weak, Hajime's spirits sink to an all-time low. Can he survive in this perilous world of monsters and demons with his limited strength?
